

Greetings Friends,

I hope this newsletter finds you and yours in the best possible way. It is springtime in Texas, so hail and tornadoes are the norm - very similar to the upcoming elections.

Oetiker has discontinued their previous design of pincers and we now have the new version shown below. We will discontinue the current tube cutter 8013 once our stock is depleted, and replace it with an improved version 8058 shown below.

For those who have taken advantage of the Progeral clamp sale, we have a few more left at \$0.07 each. Once they are gone...

The National Restaurant Show is this month in Chicago. **We will be exhibiting for the first time under MNF Beer Dispenser in the Lakeside Hall, stand 10920.** For those of you who remember, this hall used to hold the entire NRA show - not that any of us are that old. If you are attending, please come by and say hello. We would love to see you.

Thanks, Mark & staff
