

Hello Friends,

It has been awhile since our last newsletter, but most of our new parts have been customer-specific. This is a good reminder that we make custom fittings and cold plates.

Commodities have been largely flat recently, except for aluminum which has been creeping slightly upward. Since aluminum inventories have dropped to a five-year low, there could be some interesting days ahead.

I hope you will each take a vacation this summer and are able to disconnect completely – it does make a difference.

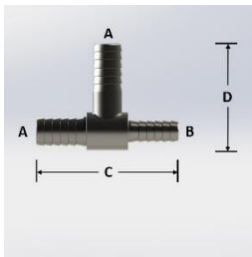

Thanks again for your business since 1983,
Mark & staff
