

Hello Friends,

Sorry it's been such a long time since the last newsletter. We have expended much creative energy (where there was not much to begin with) in creating our 2020 catalog. We still have some paper copies available if you need them. In addition, the virtual version is at <https://view.publitas.com/fittings-inc/fittings-inc-catalog-2020> . Any feedback on changes or errors would be appreciated. Below see several new parts that are not listed in the catalog.

Obviously much of our lives have been shaken by the recent COVID-19 events. I pray that you and yours are safe, and that somehow our businesses will survive this pandemic. You don't need to hear any more comments on this, so I will pass.

Book recommendations:

Fiction: *Where the Crawdads Sing* by Delia Owens. There is a reason it has been on the best seller list for over a year. So, if you haven't read it by now, just get on with it.

Nonfiction: *Say Nothing: A True Story of Murder and Memory in Northern Ireland* by Patrick Radden Keefe. An amazing account of The Troubles in Northern Ireland.

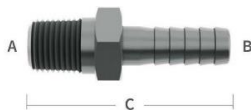

Business: *The Motive: Why So Many Leaders Abdicate Their Most Important Responsibilities* by Patrick M. Lencioni

Happy reading - most of us have more time.

Thanks,
Mark & staff
